Dr. J. Bovee Dods' IMPERIAL WINE

BITTERS

A RE made from a pure and unadulterated Wine, which is about double the usual strength of other Wines, and is imported by only one house in the United States. Also, from the following valuable Roots, Herbs, &c., viz.: Solomon's Seal, Spikenard, Comfrey, Ca-momile Flowers, Gentian, Wild Cherry Tree Bark, and Bayberry.

WE CHALLENGE THE WORLD TO PRODUCE

THEIR EQUAL!! We do not profess to have discovered some roots "known only to the Indians of South Ame rica," and a cure for "all diseases which the desh is heir to," but we claim to present to the public a truly valuable preparation, which every intelligent physician in the country will approve of and recommend. As a remedy for

INCIPIENT CONSUMPTION, Weak Lungs, Indigestion, Dyspepsia, Discases of the Nervous System, Paralysis, Piles, Dis-

cases peculiar to Females, Debility, and all cases requiring a Tonic, they are UNSURPASSED!

For Sore Threat, so common among the Clergy, they are truly valuable. For the aged and infirm, or for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book-

Lawyers, and all public speakers—for Book-Keepers, Tailors, Seamstresses, Students, Ardists, and all persons leading a sedentary life, shey will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilirating effects of Brandy or Wine, without intoxicating; and are a valuable remedy for persons addicted to excessive use of strong drink, and wish to refrain from it. They are pure and entirely free from the poisons contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only CURE, but PREVENT

These Bitters not only CURE, but PREVENT Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to children and infants with impunity.

Physicians, Clergymen, and temperatured. Physicians, Clergymen, and temperance advocates, as an act of humanity, should assist in spreading these truly valuable BITTERS over the land, and thereby essentially aid in banishing drunkenness and disease.
